3. [REDACTED] Talked briefly to William Ashworth, Senate Foreign Relations Committee staff, who told me that the draft proposals for hearings by the Arms Control, International Law and Organization Subcommittee may be finalized during the day tomorrow. He will call me. Carl Duckett, DDS&T, has been advised.

4. [REDACTED] Met briefly with Jim Lowenstein, Senate Foreign Relations Committee staff, who told me that by and large his dealings with Agency representatives during the recent Far East trip were most satisfactory. He noted that the Committee's thunder on the press release was pushed well away from the front pages by other current events.
